

Thank you for taking this time to read our newsletter.

A warm welcome back to school and an especially warm Hillyfield welcome to any new families and children who have joined us this week. We hope everyone enjoyed the long sunny summer and has come back refreshed and revitalised, ready for the new term and new year! We have a number of new teachers and support staff that I am delighted to welcome too.

Our children have been working very hard this week. Teachers, support staff and phase leaders have all reported on the calm and purposeful start to the term. In assemblies this week, we have been speaking to the children at length about some of the important expectations around standards and behaviour. I'm sure your child will be able to explain some of the following expectations.

The Playground

We love playing in the playground and seeing our friends but we must never pretend or play fight, stand on benches/fences or play in the toilets.

Lining Up

This is really important because it shows that playtime has finished and work time has started. This is why we line up calmly, sensibly and quietly.

Walk Only Areas

Everywhere inside school is a Walk Only Area. Whether you are in the classroom, the dining hall or the corridor, we only ever walk (we NEVER run).

Litter

We never drop litter but we do pick it up if it's safe to do so.

Uniform

We always arrive at school smartly dressed in our correct school uniform. Black footwear only please - we do not allow shoes or trainers with white or coloured soles or logos.

Keep Calm and Shhhh

We are quiet and calm when we move walk around the building.

Please and Thank You

We ALWAYS remember our manners and hold doors open for other people and say things like 'after you' to show we are being polite.

Attendance

We should always arrive at school on time and try hard not to be late. We should also do our best to be at school every day and not take

time off.
