

Summer 2 Eco-Committee meeting

Minutes	Discussion
Big-Pedal discussion	<p>Big well done! All members were able to record data daily.</p> <p>Numbers of pupils walking, cycling or scooting increased throughout the week!</p> <p>Waiting on potential prizes</p>
Eco-groups (How members are being used across the school)	See members table. Committee members to research, and come up with, ideas that we can implement in our school. Feedback in next meeting.
Eco-Assembly: What YOU can do (Summer 2) -	<p>Date pending.</p> <p>Members will create a presentation on actions that pupils in our school can take to be more green in daily life.</p>
Posters for classes regarding switching the lights off.	<p>Create your own for your class and ask the class teacher to stick it to the wall next to switch.</p> <p>Energy department will then monitor and ensure that this is taking place.</p>
Parental involvement	<p>Meeting date being agreed.</p> <p>We're very excited to get parents involved in the committee, ensure that they know what we are up to and that they can bring any ideas in to members or Mr Currie</p>
Eco-day	<p>Date being discussed (will be in Summer 2)</p> <p>Bring any ideas for the day to the next meeting.</p> <p>More info in next meeting.</p>

Next Meeting will be on Wednesday 15th May. Bring all of your ideas/creations along! Thanks for your amazing efforts, team!
